

Suma Orders

Coordinators for Suma Group:
Simon Brown, Arnold Wilkes

Monthly orders are made to a wholefoods wholesaler based in Halifax, (Suma - a workers' cooperative). These are generated from a small group of members and are collated. This combined order is then delivered to an agreed delivery address.

Each individual order is then sorted ready for people to pick up after delivery.

The wholesale price + a 5% surcharge is paid to the Transition Chester bank account by each person submitting their order which in turn, pays the invoice from Suma Wholefoods. The balance raises money for operating costs of Transition Chester.

Suma Orders

During 2023 there were around 12 households placing Suma orders during the year; some occasionally, some every month. There is capacity to increase the number of people ordering, and we would be happy to include additional households.

| Total of Suma Orders placed 2023 Jan - Dec | Money raised for Transition Chester (5%) |
|--|--|
| £7,810 (approx.) | £390 (approx.) |
